Certificate

for

Demeter-Felderzeugnisse GmbH

D- 64665 Alsbach

Demeter Contract Number: 31295

Based on the inspection authorised by us, we confirm that the processing of Biodynamic products has been found to meet the Demeter standards. The enterprise therefore has the right to use the *demeter* trademark for the following products and product categories:

Field Vegetables, Potatoes, Cereals, Frozen Foods, Animal Fodder

The enterprise must keep a list of certified Demeter products. This list is an integral part of this certificate.

The rights confirmed by this certificate expire on the 31st October 2012 or at the point of its withdrawal, if sooner.

Darmstadt 25th May 2011
